Which number goes in the box?

Place the correct number in the gap.

321

445

354

345 >

Our hints for the tasks

Which number goes in the box?

1. Hint

Which way is the symbol facing? Are you finding a number that is **greater than** 345 or **less than** 345?

2. Hint

The opening of the symbol is facing 345 meaning you are looking for a number that is **less than** 345.

3. Hint

Try each number and see if it works. Start comparing in the hundreds place, then move to the tens and then the ones if you need to.

Solutions and solution approaches for the tasks

Which number goes in the box?

Answer key: 321

345 > **321**

321 is the correct answer.

354 and 445 are both greater than 345 so wouldn't fit.
