Staying the same

D

Grouping

Our hints for the tasks

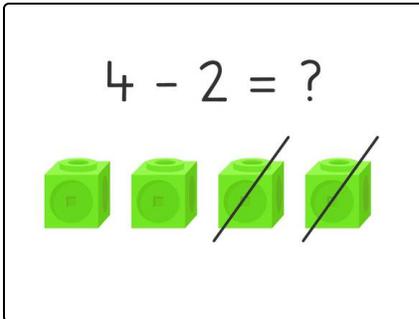

1
from 5

What is subtraction?

1. Hint

When we subtract we start with a bigger number and end with a smaller number.

2. Hint

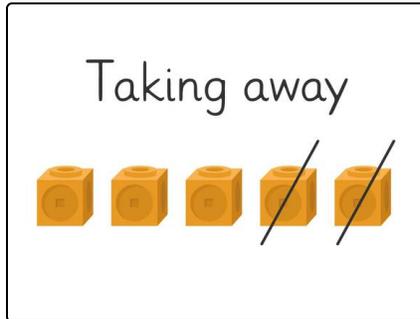

Here is an example of a subtraction problem.

Solutions and solution approaches for the tasks

1
from 5

What is subtraction?

Answer key: A

Subtracting means **taking one number away** from another number to find out how many are left.

$$5 - 2 = 3$$
